DARKNESS TO DAYLIGHT
CHALLENGE

Dear NAME

Thank you for supporting my fundraising efforts!

Funds that I raise for Darkness to Daylight contributes to the vital work of Australia's CEO Challenge, in prevention and building capacity for better responses to domestic and family violence in our communities.

This is a cause that is close to my heart and I value your support.

I couldn't reach my target without your generosity – so thank you. Please check back in on my fundraising page to see updates on how my fundraising is progressing!

If you are interested in finding out more about Darkness to Daylight or Australia's CEO Challenge please visit www.darknesstodaylight.org.

Thank you again for your support.

Kind regards,
