Darkness to Daylight is about standing together to end domestic and family violence (DFV).

In 2021 I am running 110km because I say no to DFV.

Please support me in raising funds for Darkness to Daylight. All funds raised go to DFV prevention.

Donate today. #D2D #EndDFV

On average 110 lives are lost to domestic and family violence (DFV) each year in Australia.

I am participating in Darkness to Daylight and running 110km because I say no to DFV.
